

Wish sentences and other conditional structures

Task: transform the sentences, using the words in bold

1. I didn't know about that party. I would have gone. **HAD**
2. If you ask me, he'll succeed. **LONG**
3. He wouldn't have come on time. It doesn't matter if he'd decided to come by car, not by bus. **EVEN**
4. What would you do if you won the lottery? **PROVIDING**
5. I wish I had got up earlier. **ONLY**
